

List of BM Equipment Needed		
Description	QTY	Notes
Electrical Patient Beds with Mattresses- Adult	70	
Electrical Patient Beds with Mattresses- Pediatric	4	
Over Bed Table	70	
Bed Side Cabinet	70	
Stretchers with Trendelenburg	15	
Wheelchair	40	1 of which is MRI compatible
Surgeon Stool for ENT Surgeries	2	
Infusion Pump	40	
Syringe Pump	40	
PCEA Pump	5	
Video Laryngoscope	1	With full range of blades covering pediatric & adult applications
Ventilator	3	2 of which are for transport and 1 of which can be used for pediatric as well
Anesthesia Machines with their Monitors	3	To be used on Neonatal, Pediatric & Adult
Harmonic Scalpel	1	
Defibrillator with Pacemaker	3	
12- channel ECG Machine	2	
Patient Monitors	8	with ECG, NIBP, SPO2, CO & IBP
Patient Monitors	2	with ECG, NIBP, SPO2, and other modules for neuro application such as NIM, BIS etc.
Central Monitoring Station	1	with capability of connecting at least 8 monitors
Video Gastroscope	1	Pentax or Olympus in order to be compatible with the existing video processor
Video Colonoscope	1	Pentax or Olympus in order to be compatible with the existing video processor
Video Duodenoscope	1	Pentax or Olympus in order to be compatible with the existing video processor
Endoscopic Ultrasound (EUS)	1	
MRI Compatible Monitor	1	
MRI Compatible Ventilator	1	
MRI 3 Tesla	1	
CT Scan 16 Slices	1	
Digital Radiography & Fluoroscopy Machine (combined)	1	

Digital C-Arm	1	With DSA if possible
Digital Mobile X Ray	1	
Injector	1	for CT machine for Cath Lab machine for MRI machine
ACL Elite Pro&CL System Coagulation Analyzer	1	
Medication Trolley	6	
Clean Linnen Trolleys	8	
Dirty Linnen Trolleys	4	
Food Transportation Trolleys	4	
Steam sterilizer	1	
Plasma Sterilizer	1	
Pulmonary function (PFT)	1	Including spirometry, lung volume and DLCO testing
Adult Bronchoscope	1	Pentax or Olympus in order to be compatible with the existing video processor
Pediatric Bronchoscope	1	Pentax or Olympus in order to be compatible with the existing video processor
General Ultrasound	1	With range of probes to cover all cardiac and vascular applications
Cardiac Ultrasound	1	With range of probes to cover all cardiac and vascular applications
Refrigerators		
Microwave Ovens		
TV Units		

Thank you again for your generous support.

Sincerely,

Soeur Hadia Abi Chebli – Professeur Pierre Yared
